

HOSTEL ACCOMMODATION

Indian Institute of Technology Palakkad is a fully residential institute and all registered students are required to reside in the hostels. The Hostels provide an ideal place with a disciplined, healthy and congenial atmosphere for peaceful stay and study. To the residents, it is a home away from home. Hence, they should consider themselves as belonging to one family and treat one another in a friendly and courteous manner.

There are separate hostels for boys and girls with amenities such as common room, indoor games room and a spacious dining area. Common bathrooms are available on each floor in the hostels. The hostels have twin-sharing / triple-sharing rooms that are furnished with cots, tables, chairs, cupboards, tube lights, ceiling fan and electrical sockets for using laptops and charging cell phones. Stay in the hostel is governed by the set of rules given below:

The students who wish to seek exemption from residence in the hostels will have to make a specific application separately for every semester. PG students may make a request to the Associate Dean (Academics PG), and UG students may make a request to the Associate Dean (Academics UG), CC-ing the Dean (Students)

The hostel rooms should be kept neat and clean by the residents. Surprise inspection of the rooms may be carried out. A penalty may be imposed in case the room is found to be unclean.

Students should use the appropriate trash cans to dispose of any waste material. Waste should be disposed of in the particular dustbins kept for collecting the specific type of waste. Food waste should be in the green dustbin, other biodegradable waste in the yellow dustbin and non-degradable waste in the red dustbin.
